

The Scientist - Coldplay

d7 B F
 Come up to meet you, tell you I'm sorry
C d7
 You don't know how lovely you are
B F
 I had to find you, tell you I need you
C d7
 Tell you I set you apart

B F
 Tell me your secrets and ask me your questions
C d7
 Oh, let's go back to the start
B F
 Running in circles, coming up tails
C B
 Heads on a science apart

F
 Nobody said it was easy
B
 It's such a shame for us to part
F
 Nobody said it was easy
C C7
 No one ever said it would be this hard
F B F C
 Oh, take me back to the start

d7 B
 I was just guessing
F
 At numbers and figures
C d7
 Pulling the puzzles apart

B
 Questions of science,
F
 Science and progress
C d7
 Do not speak as loud as my heart

B
 But tell me you love me,
F
 Come back and haunt me
C d7
 Oh and I rush to the start

B
 Running in circles,
F
 Chasing our tails
C B
 Coming back as we are

F
 Nobody said it was easy
B
 It's such a shame for us to part
F
 Nobody said it was easy
C C7
 No one ever said it would be this hard
F B F C
 Oh, take me back to the start
