

Give me love - Ed Sheeran

gis **E** **H**
 Give me love like her
gis **E** **H**
 'Cause lately I've been waking up alone
gis **E** **H**
 Paint splattered tear drops on my shirt
gis **E** **H**
 Told you I'd let them go
 cis
 And that I'll fight my corner
 E
 Maybe tonight I'll call ya
 H **Fis**
 After my blood turns into alcohol
 cis **E**
 No, I just wanna hold ya

H **cis** **E** **H**
 Give a little time to me or burn this out
 cis **E** **H**
 We'll play hide and seek to turn this around
 cis **E**
 And all I want is the taste that your lips allow
gis **Fis** **E**
 My, my, my, my, oh give me love
gis **E** **H**
 My, my, my, my, oh give me love
gis **E** **H**
 My, my, my, my, give me love

gis **E** **H**
 Give me love like never before
gis **E** **H**
 'Cause lately I've been craving more
 gis **E** **H**
 And it's been awhile but I still feel the same
gis **E** **H**
 Maybe I should let you go
 cis
 You know I'll fight my corner
 E
 And that tonight I'll call ya
 H **Fis**
 After my blood is drowning in alcohol
 cis **E**
 No, I just wanna hold ya

H **cis** **E** **H**
 Give a little time to me or burn this out
 cis **E** **H**
 We'll play hide and seek to turn this around
 cis **E**
 And all I want is the taste that your lips allow
H **cis** **E** **H**
 Give a little time to me or burn this out
 cis **E** **H**
 We'll play hide and seek to turn this around
 cis **E**
 And all I want is the taste that your lips allow
gis **Fis** **E**
 My, my, my, my, oh give me love
gis **E** **H**
 My, my, my, my, oh give me love
gis **E** **H**
 My, my, my, my, give me love

gis **E** **H**
 M-my my, m-my my, m-my my, give me love,
 lover
