Wish I Knew You – The Revivalists

Cm

You shine like a star
You know who you are

Bb F

You're everything beautiful

Cm

She's hot, hot like the sun
The loneliest one

Bb F

Still everything beautiful

Cm

Well I'll be god damned
You're standing at my door

Bb

We stayed up in the city

F

Until the stars lost the war

Cm

So Friday night, holy ghost

Bb

Take me to your level

F

Show me the one I need the most
I need the most

Cm Fm

I wish I knew you when I was young

Bb7 Eb Gm

We could've got so high

Cm Fm

Now we're here it's been so long

Bb7 Eb Gm

Two strangers in the bright lights

Cm Fm

Oh I hope you don't mind

Bb7 Eb Gm

We can share my mood

Cm Fm

Two strangers in the bright lights

Bb

I wish I knew you

I wish I knew you

Cm

Oh I wish I knew you when I was young

Cm

Truth, it's all that you need

You bury that seed

Bb F

It's everything beautiful

Cm

That sound comes from the underground

It's all inside you now

Bb F

It's everything beautiful

Cm

But what are you running from?

Bb F

They got you on the run?
