I wanna take you somewhere so you know I care,

Bm C

but it's so cold and I don't know where

Em Am Em

I brought you daffodils, on a pretty string,

Bm C C

but they won't flower like they did last spring

C Em Am Em

And I wanna kiss you, make you feel alright,

Bm C

but I'm just so tired to share my nights

Em Am Em

I wanna cry and I wanna love

Bm C C

But all my tears have been used up

C G Em

On another love, another love

Bm C

All my tears have been used up,

G Em

on another love, another love

Bm C

All my tears have been used up,

G Em

on another love, another love

Bm C G

All my tears have been used uuuhuuuuup

Em Bm

but my hands been broken one too many times
Em Am Em
So I use my voice, I'll be so fucking rude
Bm C
Words they always win, but I know I'll lose
Em Am Em
And I'd sing a song that would be just ours,
Bm C
but I sang 'em all to another heart
Em Am Em
And I wanna cry I wanna learn to love,
Bm C
but all my tears have been used up
