This Is The Life – Amy Macdonald

Bm G D F#m

Bm

Oh the wind whistles down

G

The cold dark street tonight

D

F#m

And the people they were dancing to the music vibe

Bm

And the boys chase the girls

With the curls in their hair

G

And the shy tormented youth sit way over there

D

And the songs they get louder

F#m

Each one better than before

Bm

And you're singing the songs

Thinking this is the life

G

And you wake up in the morning and your head feels twice the size

Where you gonna go

D

Where you gonna go

F#m

Where you gonna sleep tonight

Bm

And you're singing the songs

Thinking this is the life

G

And you wake up in the morning and your head feels twice the size

Where you gonna go

D

Where you gonna go

F#m

Where you gonna sleep tonight

Bm G D F#m

Bm

So you're heading down the road

In your taxi for four

G

And you're waiting outside Jimmy's front door

D

F#m

But nobody's in and nobody's home 'til four

Bm

So you're sitting there with nothing to do

G

Talking about Robert Riger and his motley crew

D

F#m

And where you're gonna go and where you're gonna sleep tonight

Bm

And you're singing the songs

Thinking this is the life

G

And you wake up in the morning and your head feels twice the size

Where you gonna go

D

Where you gonna go

Where you gonna sleep tonight
