G G B7 Em Em E7/G#

Am D

G

I don't wanna talk

D/F#

About things we've gone through

Am/E

Though it's hurting me

D

Now it's history

G

I've played all my cards

D/F#

And that's what you've done too

Am/E

Nothing more to say

D

No more ace to play

G

The winner takes it all

B7

Em

The loser standing small

E7/G#

Am

Beside the victory

D

That's her destiny

G

I was in your arms

D/F#

Thinking I belonged there

Am/E

I figured it made sense

D

Building me a fence

G

Building me a home

D/F#

Thinking I'd be strong there

Am/E

But I was a fool

D

Playing by the rules

G

The gods may throw a dice

B7

Em

Their minds as cold as ice

E7/G# Am

And someone way down here

D

Loses someone dear

G

The winner takes it all

B7

Em

The loser has to fall

E7/G#

Am

It's simple and it's plain

D

Why should I complain?

G

But tell me does she kiss

D/F#

Like I used to kiss you?

Am/E

Does it feel the same

D

When she calls your name?

G

Somewhere deep inside

D/F#

You must know I miss you

Am/E

But what can I say

D

Rules must be obeyed

G

The judges will decide

B7 Em

The likes of me abide

E7/G# Am

Spectators of the show

D

Always staying low

G

The game is on again

B7 Em

A lover or a friend

E7/G# Am

A big thing or a small

D

The winner takes it all

G

I don't wanna talk

D/F#

If it makes you feel sad

Am/E

And I understand

D

You've come to shake my hand

G

I apologize

D/F#

If it makes you feel bad

Am/E

Seeing me so tense

D

No self-confidence, but you see ...Z
